The Flyover Coalition Launches 'The Flyover Podcast'

ROCHESTER HILLS, *Michigan* — The Flyover Coalition will release the first episode of its new podcast, “The Flyover Podcast,” on Thursday, December 9, titled “The Future of Flyover Country.” It will be available on Spotify and on The Flyover Coalition website.

The goal of The Flyover Podcast is to offer Flyover fans content that spotlights the successes and struggles of people, organizations, and companies from all around Flyover Country.

This first episode will feature Flyover Coalition Founder and Executive Director Dale Buss as he offers a brief overview of what Flyover Country is and why it’s the heartland’s time to shine economically. He’ll share why this region is so important to America at large, as well as the role The Flyover Coalition hopes to play in its protection and promotion.

About The Flyover Coalition: It is a not-for-profit, nonpartisan organization that aims to protect and promote America’s heartland by giving its people a voice and a platform through online content and through involvement in other media. The Flyover Coalition also promotes cooperation and coalition-building in economic development among the people, companies, states and localities of the region.
